# HAVE FUN WORKING OUT WHAT YOU WANT TO DO NEXT

Left school and not sure what to do next?  
A job? College? Apprenticeship?

Entry 2 Employment (e2e) will help you work out what you want to do and help you get started, even if you know what you want to do but need a push in the right direction e2e can help.

The good thing about e2e is that it helps you think about the kind of future you want, how to achieve it and you get paid up to £30 a week without any loss of existing benefits, even if you have a part time job...plus on top of your weekly EMA you can also receive bonuses.

For more information about the money and bonuses contact the e2e Hotline on
